VOLKER NEIGHBORHOOD
2025 HOMES TOUR
SATURDAY, MAY 17 | 10AM-3PM
www.volkerkcmo.org/homestour

The Volker Neighborhood Association (VNA) is proud to host the second Volker Homes Tour this spring! Nestled on the west side of Midtown (KCMO), Volker is a vibrant and eclectic neighborhood surrounding the West 39th Street business district—located just west of Westport, a mile from the Country Club Plaza, and three miles from Downtown.

Our neighborhood is a rich tapestry of architectural styles, from classic turn-of-the-century Kansas City shirtwaists and foursquares to charming bungalows, stately colonnade apartment buildings, and mid-century ranch homes. Just as diverse as our homes are the people who live here—artists, entrepreneurs, longtime residents, and newcomers alike—all drawn to Volker’s unique character and strong sense of community.

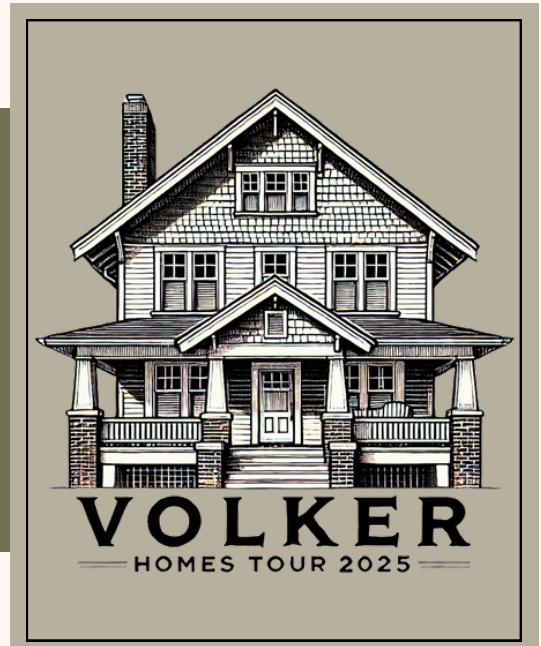

The neighborhood takes its name from William Volker, one of Kansas City’s most generous philanthropists. Often called the city’s “First Citizen,” Volker built his success as a businessman and quietly gave much of his fortune away, funding hospitals, schools, and countless individuals in need. He even donated the land that became UMKC’s Volker campus. His legacy of generosity and community-mindedness lives on in the neighborhood that bears his name.

In that same tradition, we invite you to be a sponsor of the **2025 Volker Homes Tour** which will take place on **Saturday, May 17, from 10:00 AM to 3:00 PM**. Last year’s tour was a tremendous success, and this year, we anticipate **500+ attendees**, including local residents, history and architecture enthusiasts, and community members from across the metro area. Your sponsorship directly supports the Volker Neighborhood Association, a **501(c)(3) nonprofit**, and is fully tax-deductible.

This is more than just a tour—it’s a celebration of history, architecture, and the community that makes Volker such a special place. We would be honored to have your support in making this event a success.

With appreciation,
